FOREWORD

Sri Venkataraman Swamy Pre-University College, sponsored by Sri Venkataramana Swamy Vidyavardhaka Sangha (Regd.), Vidyagiri, Bantwal, D.K. District, welcome you to the premises and appreciates your desire to seek admission here.

The College was founded in 1968 with the motto 'Vidya Sarvartha Sadhika'. Nestled among a cluster of hillocks in serene surroundings, the college is away from the din and bustle of city life. A set of committed teachers, supported by a devoted management, offers affordable and quality education to rural students who pursue learning with humility and keenness. As the educational scenario in the whole country is undergoing an inevitable churning process, the college has adopted a vision based on the realities of the emerging trends of the 21 st century. Retaining the traditional courses, the college offers new disciplines and in the campus under graduation and post graduation courses are also available. Healthy and friendly relationship that exists between the teacher and the taught is a speciality here. Students are exposed to career guidance and academic counseling. We have an arrangement of remedial teaching for weak students. The college which was assessed with 'A' grade by Pre-university Education Board, Govt. of Karnataka based on the facilities in the college and performance of the students. All these make our college DIFFERENT from others.

OUR VISION

Every student of our College shall be independent in thinking, knowledgeable, confident, principle centred, humane and competent to set and achieve goals in personal, social and professional life.

MISSION OF THE COLLEGE

- To instill a thirst for knowledge.
- To promote rational and independent thinking.
- To create opportunities to discover oneself so as to develop self confidence.
- To create opportunities to acquire necessary skills- conceptual, technical and human relations skills.
- To provide opportunities to develop necessary competencies needed to set and achieve goals.
- To expose the students to varieties of experience which will enable one to identify values and make the principles of life.
- To offer opportunities to develop humane attitude to fellow beings.
- To guide each student to identify objectives to be achieved and help them comprehend situations and circumstances that will assist in achieving them.
- To arrange experiential learning for service to society
- To plan and execute different activities for achieving the vision thought what have been stated above.
