

FOREWORD

Having imbibed the spirit of quality sustenance following the successful completion of two cycles of accreditation, the organization of activities aimed at enriching the academic ambience of the institution has turned out to be an absolutely easeful task. The plethora of programmes that filled the pages of the history of the college since the submission of the Self Study Report to NAAC in October 2015 bespeak of the institution's commitment to the enhancement and sustenance of quality. The unstinted efforts put in by the IQAC ensured that every activity or programme undertaken remained contributory to the proclaimed vision and the mission of the college. The persistent call of the Board of Management that the underprivileged students belonging to this mofussil institution should never remain deprived of the amenities and opportunities that easily beckon their counterparts in city colleges has also played a pivotal role especially in the organization of national and state level seminars, workshops, conferences, guest lectures, skill development programmes, certificate courses and so on. The Annual Mega Job Fair and the Campus Drives arranged at the college exemplify the Management's determination to provide the students the best ever opportunities that they aspire to have on the college campus. Even a cursory glance at the list of activities will make it amply clear that the organization of programmes as well as activities has already been internalized in the institution, and therefore, it is bound to continue even in the post-accreditation era.

The Supplementary Self Study Report enlists the activities and programmes which have been carried out since the submission of the hard copy of the SSR to NAAC on October 10, 2015. Even though the report has been readied with the objective of drawing the kind attention of the NAAC Peer Team Members to what the institution has been doing since the submission of the SSR almost a year ago, it is intended, through the report, to leave behind a concrete record of all the significant events that have gone into the making of yet another eventful year.
